

## Shaded pole motor 5.0" (LAM 121 mm) Nema 42. For air moving.

### Features

- \* Shaded pole motor / 4 poles
- \* Continuous air over
- \* Automatic reset thermal overload protector
- \* Green lead ground
- \* Sealed ball bearing (-45°C to +150°C)
- \* Clockwise lead end rotation (CWLE)
- \* Class B insulation
- \* Multiple mounting options
- \* Leads length 508 mm
- \* High mechanical resistance fan driver (only VEX-335)
